## NYM CHAIRS

BY PEDRALI

Pedrali's solid ash chairs are inspired by traditional English Windsor chairs, but hopefully they're a little more comfortable.

## FLUX

BY AB CONCEPT  
FOR LASVIT

Ed Ng and Terence Ngan of Hong Kong design studio AB Concept are behind this lighting collection, inspired by the sun reflecting off the receding tides.

## BEAKER END TABLE

BY DONGHIA

A transparent base gives this end table a light, modern touch (and makes it easy to see where you dropped your keys).

## BOMBOCA SOFA

BY CAMPANA BROTHERS FOR  
LOUIS VUITTON OBJETS NOMADES

The Campana Brothers' latest plush creation is inspired by clouds, and also by the scallop shell from which Botticelli's Venus emerges.

## GOLDEN DECO COLLECTION BY FRETTE

Art Deco-inspired linens embroidered with fern leaves and golden jacquard patterns bring a touch of silken sunshine into the bedroom.

## TURNTABLE M&D

BY ERMENEGILDO ZEGNA  
AND MASTER & DYNAMIC

Ermenegildo Zegna teams up with audiophile brand Master & Dynamic to create a range of music accessories, all wrapped in the brand's signature Pelle Tessuta leather weave.

## PAPAVERO RAGGIANTE CEILING LAMP

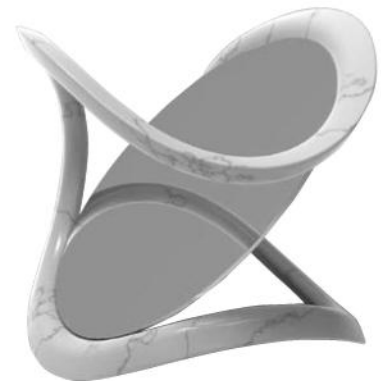

BY OPINION CIATTI

Architect and designer Gherardo Frassa has created these hand-bent metal flowers for a touch of meadow-fresh brightness whatever the weather.

## EOLE MIRROR

BY STEFANO BIGI  
FOR CITCO

Named for the Greek god of the wind, this mirror redefines marble, from the usual vast imposing block into a barely-there stand.

## LANDS TABLES

BY FIAM

A collection of coffee tables and side tables inspired by the view as you fly over fields and pastures, with random shapes creating precise formal compositions.

## D/VISION.2 CABINET

BY FRATELLI BOFFI

Fratelli Boffi takes the 1950s trumeau cabinet and explodes it outwards into a cubist think-piece, while still being a good place to keep your jeans.
